RE: Administrative Modification One to the FY2023-2024 Unified Planning Work Program (UPWP)
Federal Transit Administration (FTA) Task Numbers.

Dear Mr. Siskowski,

The MPO is proposing to change FTA Task Numbers to coordinate with the FY2023-2024 Unified Planning Work Program. There is to be no change to work performed or funding in any task(s). Only FTA number(s) are to change. This change would provide better understanding of work completed on monthly financial claims.

Thank you for your assistance with this matter. Please contact me if you need any additional information.
